and if that idea takes hold and spreads, his campaign will have had a truly profound impact.

prescriptions written before monday that have remaining refills will be honored until april 8, 2015, if pharmacies choose to do so

not only when a muslim renounces islam but also, among other things, when a muslim appears to worship

once we’ve addressed all those risk factors, if symptoms persist, it is indeed time to consider testosterone replacement therapy

if we investigate and learn, like the ntsb in airline crashes, we can reduce these tragedies faster than the increasing complexity of hospital regimens increases the potential for them to happen.
